

Government of Jammu and Kashmir
Directorate of Colleges
Higher Education Department

The Principal,
Government Degree Colleges/GCET's
UT of Jammu and Kashmir.

Sub: e-Yantra Robotics Competitions (EYRC 2026-27) a flagship competition from
e-Yantra, IIT Bombay

Ref: Communication received via email dated 05.08.2026 from IIT Bombay
Sir/Madam,

With reference to the subject and communication cited above, it is informed that this Directorate has received a communication from IIT Bombay regarding the e-Yantra Robotics Competition (eYRC 2026-27), a flagship initiative of e-Yantra.

e-Yantra is an initiative of the Department of Computer Science and Engineering, IIT Bombay, aimed at promoting robotics and embedded systems education by fostering technical skills and a problem-solving culture among students through Project-Based Learning (PBL). The e-Yantra Robotics Competition (eYRC), hosted through the e-Yantra portal, is a unique MOOC-style (Massive Open Online Courses) competition that trains participants in complex engineering concepts while they compete. The programme is aligned with the objectives of the National Education Policy (NEP) 2020.

In this regard, you are requested to give wide publicity to the competition among the students of your institution through notices, student groups, college websites, social media platforms, and other appropriate means, motivating eligible students to register and participate in the competition.

The eYRC 2026-27 poster is enclosed herewith for display on the college notice boards and for dissemination among students.

It is also informed that winners of the competition will receive attractive cash prizes and will be eligible to appear for interviews for an eight-week Summer Internship under the e-Yantra Summer Internship Programme (eYSIP).

Yours Sincerely,

Dr. Sheikh Ajaz Bashir

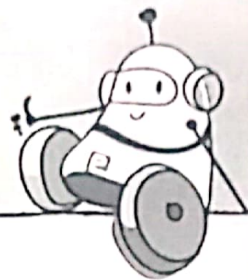

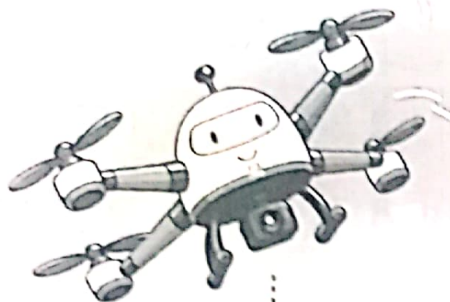

Director Colleges, UT of JK
Higher Education Department

Dated: 10-08-2026

No.: DC-HE/K/2026/e-Yantra/2380
